

RACECOURSE REFINERY

At a glance

Sugar Australia is the nation's leading producer of sugar products.

Our Racecourse Refinery in Mackay is Australia's largest and most advanced sugar refinery. It produces a range of refined and specialty sugars for our iconic CSR Sugar brand.

Racecourse Refinery is located beside Mackay Sugar's Racecourse Mill, which supplies most of the raw sugar processed at the refinery.

Each year, at our Racecourse Refinery, we:

Process locally made raw sugar, produced from Queensland-grown sugarcane

Produce
312,600 TONNES
of white sugar*

Produce
20,200 TONNES
of specialty sugars (raw, demerara, extra coarse white, liquid and coffee sugars)*

Invest
\$3.3 MILLION
in capital and maintenance*

Produce
12,400
tonnes of molasses*

Provide jobs for
45
Queenslanders

**Figures are annual average 2019-2021*

Sugar Australia is a joint venture between Wilmar Sugar Australia (75%) and Mackay Sugar Limited (25%).
